Dear Potential Sponsor!!!

The cost of putting on the 2024 Quilt Show will be exceeding the costs of prior shows. CCQ is a non-profit 501(c3) organization, with much of our work dedicated to charitable activities. The largest of these is putting on a free show of our artwork for the community. **This means any level of sponsorship participation is much appreciated!**

\$ 200 Sponsorship - Business/Sponsor name appears on show posters and in a lobby display. If you provide brochures for your business, they will be displayed to share with attendees. Mention in February, March, and April 2024 Fat Quarter CCQ Newsletters.
