

CCQ MEMBER BIOGRAPHY

Name Sue Reishus

Occupation Retired

How might people in the community know you?

I have spent most of my life volunteering in my children's schools or for their sports teams. I worked as a Paralegal and a Workers Compensation Officer for the State. My life now revolves around my grandchildren!

QUILTING BACKGROUND

When did you begin quilting and why?

I made my first quilt for my oldest son. It was hideous - I was self-taught and I think I used scissors to cut every square.

How do you like to express yourself through quilting?

My passion is repairing old vintage quilts. I love fixing ones that are well-loved. I also enjoy finishing quilts started by a quilter who has passed for their family. I also love doing wool applique.

What do you do with your quilts?

Most of my quilts go to homes that I know will appreciate them. Some are made specifically with someone in mind.

MY FAVORITE BLOCK

I cannot say I have a favorite! They are all fun to make!
