

# Your Friends, Your Neighbors, Your Community

## CCQ Member Biography

Name	Nancy Krehlik
Occupation	Retired Para Ed @ Dzantik'i Heeni Middle School, Registered Nurse
How might people in the community know you?	I volunteered in the schools, taught Sunday Schools, was a Girl Scout Leader, and timed track meets.

## Quilting Background

When did you begin quilting and why?	I really started quilting in 1992 when I wanted to make a quilt to comfort my father. Before that, I made a few baby quilts.
How do you like to express yourself through quilting?	I usually make traditional quilts. I have made a couple paper pieced – my favorite being a New York Beauty. I love wool applique.
What do you do with your quilts?	Many of my quilts go to family and friends. I have kept some for home-use. I've made a couple to donate.
Describe your first quilt and when you made it?	My very first quilt was made in 1973. I taped fabric to my dorm floor, made lines on it with a ruler and cut it out with paper scissors. I had a polyester fluffy filling and hand-tied it with floss. It was FAR from perfect.

One of my favorite blocks is the log cabin, and this is the quilt I made for my Dad.
