How might people in the community know you?

## QUILTING BACKGROUND

When did you begin quilting and why?

47, I made a quilt for my dad's 80th birthday. I liked to sew and made clothes for my children when they were young and curtains for my home. I began quilting after my friends asked me to join them at a Community Schools Class. I was hooked!

How do you like to express yourself through quilting?

I'm a pretty traditional quilter. I love 20's and 30's reproduction fabrics. I am not a prolific quilter due to health issues. I enjoy the small amount of time that I can quilt and the things I produce. I love my Bernina 770 QE that I splurged on to make things easier for me.

What do you do with your quilts?

Most of the things that I make are gifts or for charity.

## MY FAVORITE BLOCK

My favorite block is the Dresden Plate.
