Quilting Background

How do you like to express yourself through quilting?	I prefer traditional blocks and traditional piecing. I really like sampler quilts.
What do you do with your quilts?	I give some away. If I take a class to make a certain quilt, I keep those.
Describe your first quilt and when you made it?	My first quilt was made in 1997; I made a sampler quilt. It was cut using cardboard templates and scissors. I think I threw it away – it was a mess!
