Quilting Background

When did you begin quilting and why?
“A very long time ago.” She made a quilt as a “young person”. She began quilting more after she retired in 1995.

How do you like to express yourself through quilting?
Needle turn appliqué is her favorite quilting style. This year she is working on a pattern that is very challenging for her.

What do you do with your quilts?
Marion gives most of her quilts to family and friends. She has made several wall hangings that her daughter-in-law physician has hanging in her clinic.

Describe your first quilt and when you made it?
Her first quilt was entirely hand embroidered. (Her grandmother taught her how to embroider.)

This is an example of needle-turn hand applique:
