QUILTING BACKGROUND

When did you begin quilting and why?

About 20 - when my Grandma gave me a restored Singer treadle sewing machine (treadle) and I made a little doll quilt with it.

How do you like to express yourself through quilting?

I like to try new things - improvisational piecing, curves and experimenting with shapes and colors.

What do you do with your quilts?

Most of my quilts are gifts - sometimes to people I know and sometimes to people I'll never meet. Some of my quilts are in my house or on my walls and some of them haven't found their home yet.

MY FAVORITE BLOCK

My favorite "block" these days are experimental and improvisational - I'm using more solid fabrics and also using fabrics I have on hand.
