

CCQ MEMBER BIOGRAPHY

Name Karen Paulick

Occupation Retired (Environmental Specialist-State of AK)

How might people in the community know you?

I love to be outside so I am often walking/hiking, cross country skiing, biking, or working in the yard. I also enjoy genealogy, Tai Chi, and Aqua Aerobics. I help my husband with his Juneau Brass business, and support my husband and daughter at their many music events.

QUILTING BACKGROUND

When did you begin quilting and why?

I have been sewing since I was in college (mostly to make clothes), but was encouraged by my best friend, Bonnie Goodrich, to start quilting when I was about 63.

How do you like to express yourself through quilting?

I like to sew with a purpose, so I enjoy making gifts for friends, and helping with community service projects such as comfort quilts and pillow cases. But I also enjoy taking classes and learning to use new techniques, skills & patterns.

What do you do with your quilts?

I give away, gift or donate most of my quilts.

MY FAVORITE BLOCK

There are so many beautiful blocks, I can't say that I have a favorite.
